# About Our Program

## Mission Statement

Our mission is to accompany and support families as they raise their children in our beautiful Catholic faith. We seek to provide the children of St. Joan of Arc with a faith formation experience which communicates to them how very loved they are by God, to help instill in them the riches of Scripture and Tradition which form the basis of our faith, and to prepare them to be “Christ for others,” bringing His love to the world. We strive to pass on to our children the great faith of our Patroness, who said, “I place trust in God, my Creator, in all things; I love Him with all my heart.”

## The Purpose of Religious Education

Parents are the primary teachers and role models of the faith for their children. At Baptism, parents are asked the following by the priest or deacon:

*“You have asked to have your child baptized. In doing so you are accepting the responsibility of training him (her) in the practice of the faith. It will be your duty to bring him (her) up to keep God’s commandments as Christ taught us, by loving God and our neighbor. Do you clearly understand what you are undertaking?”*

This reflects the Church’s teaching that “Parents have the first responsibility for the education of their children.” (*Catechism of the Catholic Church*, 2223) In fact, research has demonstrated that [“the parents of American youth play the leading role in shaping the character of their religious and spiritual lives, even well after they leave home and often for the rest of their lives.”](#)

**The purpose of a Religious Education Program is to support the parents in their desire and efforts to raise their children in the Catholic faith. Religious Education Programs are meant to supplement, not substitute for, what is assumed to be happening in the faith life of the family.** Of primary importance is Mass attendance. The Mass is the most vital aspect of our lives as Catholics, and attending Mass regularly gives children the necessary and crucial context for understanding what is taught in class. It also offers other irreplaceable experiences: being part of the Catholic community, understanding what it means to be Catholic, and most importantly, the reception of Christ, truly present in the Eucharist.

It is a blessing and a privilege to have our families approach our Parish to seek Religious Education for their children, and we look forward to working together to support you through these years as you strive to raise your child in our beautiful Catholic faith.

### *General Overview*

Our parish offers Religious Education to all children of the parish from 1<sup>st</sup> through 8<sup>th</sup> grades.

**Registration:** To register a child for our program, you must be a parishioner and you must provide a copy of the Baptismal certificate at registration if your child was baptized outside of St. Joan of Arc Church. Registration is completed online via electronic form.

Registration must be completed annually, as we are required to keep records of current registration information each year. Returning families will receive the registration link in early 2025.

**Transfer students:** If your child is in 2<sup>nd</sup> grade or above and you wish to transfer him or her into our program, you must contact our office prior to registration. You will need to submit any Religious Education records from the previous program(s) before registering.

**Tuition:** Tuition for 2024-2025 for our Fall Program, including our weekly/traditional classes, home study, and the 1<sup>st</sup> grade Family Program, is \$125 for one child, \$150 for two children, and \$175 for three or more children. There is a \$25 fee for 2<sup>nd</sup> and 8<sup>th</sup> grades to help partially offset expenses related to Sacramental preparation/celebration (retreats, Confirmation gown rentals, etc.). Tuition for the 2024-2025 Summer Program was \$150 per child; this difference is due to increased costs associated with offering this option.

Our program is open to all families in our parish, regardless of ability to pay tuition. Please contact the RE Office if tuition poses a challenge, and we will be very happy to work with you.

***Volunteers are essential to our program:*** Our catechists (teachers), their aides, and our hall monitors in the traditional program are all parents, grandparents, family members and parishioners who dedicate their time and talent to our children to ensure they are learning about and growing in the faith. Support is provided to our catechists through classes and Diocesan workshops and other events. Volunteers must have a background check/fingerprinting done through the Diocese of Trenton and attend a VIRTUS workshop, which addresses the topic of child protection.

### ***Programs and Schedule of Classes (Fall and Summer)***

**2024 - 2025 – Program Options – Please see our [general calendar here](#)**

**Our options, and their related requirements, are in alignment with the policies and procedures communicated to us by the Department of Catechesis of the Diocese of Trenton.**

*About our options:* We understand that family life is often busy, and children participate in a wide range of activities. Additionally, our program is quite large, serving over 800 children and their families. With these factors in mind, we recognize that a single approach won't meet everyone's needs, so we offer multiple options for religious education at St. Joan of Arc.

Our parish currently offers four different options within our overall program:

#### ***Weekly Traditional Program***

- ⌘ Offered for grades 1<sup>st</sup> through 8<sup>th</sup>
- ⌘ Runs from September 30 through April 29 for 2024-2025 (We typically begin the last week of October, and end the last week of April)
- ⌘ Classes meet once per week
- ⌘ Scheduling for 2024-2025 is as follows:
  - Mondays – Grades 1<sup>st</sup> through 8<sup>th</sup>, 5:15 pm – 6:30 pm
  - Tuesdays – Grades 1<sup>st</sup> through 8<sup>th</sup>, 5:15 pm – 6:30 pm
    - Parents opt for either Monday or Tuesday. Late registration may affect our ability to grant the preferred class day.

\*Important to note: We do our best to accommodate each family's day request and to keep all children in a family on the same day. Parents can note preferences at the time of registration, and these requests are considered on a first-come, first-serve basis.

Volunteers receive first consideration with regard to schedule requests.

#### ***Summer Program***

- ⌘ Our Summer Program encompasses 1<sup>st</sup> through 8<sup>th</sup> grades and runs for two weeks in the summer, *typically* around the last week of June and first week of July from

8:30 am – 2:30 pm daily. **Please note that the scheduling of the summer sessions each year depends on several factors. Some of these factors, such as the scheduling of maintenance work being done in our school, are not in our control.**

- ✳ Families are required to attend at least four parish events throughout the year (choices will be offered). Each student will have a “parish passport” to bring to the events/liturgies attended, where he or she will receive a stamp acknowledging attendance. This passport must be handed in to the RE Office by May 31<sup>st</sup>.
- ✳ Children in 2<sup>nd</sup> and 8<sup>th</sup> grades will be required to attend any additional Sacramental preparation opportunities as deemed necessary by the Religious Education Office. This includes any regularly-scheduled Sacrament meetings (parents) and retreats.

\*Important to note: The Summer Program is a nontraditional Religious Education model. Due to the condensed nature of the scheduling, the following requirements must be met:

*Students must have successfully completed the previous year of Religious Education at St. Joan of Arc, i.e. home study work must be submitted on time, attendance must be good for students attending weekly.*

*All children in the summer program must be on grade level, i.e. they must enter the program having completed all prior grade requirements. (Prior grades missed cannot be made up during the Summer Program.)*

*The family **must** be committed to daily attendance, with no late arrivals or early dismissals, during the summer and attendance at the required number of liturgies/events during the year.*

*These criteria are simply required for placement and continuation in the program without exception in order to ensure the integrity of the program. Any family unable to meet the above criteria must move to the Fall Program so we may offer placement to families on the waiting list who are able to do so. Not following policies and procedures of the Summer Program may also preclude a family from choosing the summer option for the following year.*

### Home Study

We will offer home study as an option for 3<sup>rd</sup> – 6<sup>th</sup> graders for 2023-2024. Home study begins at a time after in-person classes have begun. Parents are notified of a date/time for pick-up of home study materials, which includes the textbook and a syllabus detailing when assignments are due. Assignments, which are the chapter reviews from the text, must be sent to the office in hard copy format, and are reviewed and corrected by our catechists. Families will also be required to attend 4 activities in the parish during the year; families will be given several options to choose from. (This addition to the home

study model is per guidelines in the revised Religious Education manual, given to parishes in May 2023 by the Diocese of Trenton.)

### Family Program

Our Family Program is an option for 1<sup>st</sup> graders and their families. This program meets on four designated Sundays during the year after the 10:30 Mass in Pedata Hall for an hour, from 11:30 until 12:30. The main themes of that month's unit are presented to help families as they work through the text at home, and a craft is included each month to help reinforce one of the topics for the unit or from the liturgical season. Families will also be required to attend 4 activities in the parish during the year; families will be given several options to choose from. (

### Special Disciples\*\*

This class is for children with Special Needs who would benefit from a specialized approach and additional support in the classroom. The class meets on designated Sundays from 9:00 am until 10:00 am in a classroom in our school from October through April, approximately twice each month. We welcome children in grades 1<sup>st</sup> through 8<sup>th</sup> to Special Disciples, and provide Sacrament preparation as needed.

### OCIA Tweens\*

This class is offered for children in grades 3<sup>rd</sup>-6<sup>th</sup> who may not have received First Reconciliation and First Communion, or have received Sacraments but missed multiple years of religious education. Our RCIA Tweens class is specially-designed to provide children with the necessary religious education and faith formation experience for receiving Sacraments and for preparing to move forward on grade level the following year. This class is typically held weekly on Mondays from 7:15 pm – 8:15 pm.

### OCIA Teens\*

This class is for children in 7<sup>th</sup> and 8<sup>th</sup> grades/early high school who have received Religious Education in the past, but have missed multiple years of faith formation. OCIA Teens is specially designed to provide this age group with the necessary religious education and faith formation from missed years and to provide them with Sacramental preparation for Confirmation. The schedule for this class for 2024-2025 is alternate Tuesdays and Sundays, as determined by the catechist.

\*Registration for RCIA Tweens and RCIA Teens is permitted after approval from the Religious Education Office. Parents interested in these options should contact the office to discuss.

\*\*New families interested in Special Disciples should contact the religious Education Office prior to registration.

### Advent and Lent Family Lessons for all families

During December, families complete at-home Advent lessons. These lessons take the place of some of our required religious education hours and fulfill curriculum requirements for liturgical season education. This year, families will have the option of completing either Advent lessons, OR Lent lessons during March. Information will be sent directly to families via email.

### Sacraments

**First Reconciliation** celebrates God's loving forgiveness. The experience of forgiveness is at the heart of the Gospel message. Jesus came to show us the Father who is loving and forgiving. This is the God whom we wish our children to meet in the Sacrament of Reconciliation. *First Reconciliation is celebrated during March on a Saturday. Exact dates are communicated to families during the fall.*

**First Communion** is an opportunity to introduce the children of our parish into a fuller participation in God's family of which they are members through Baptism. The faith community of St. Joan of Arc welcomes these children to the Table of the Lord, as they receive for the first time the Body and Blood of Jesus. First Communion celebrations take place during the Easter Season, i.e., during Saturdays following Easter. These dates are communicated to parents well in advance for planning purposes; typically we are able to let you know your child's assigned date and time for First Reconciliation and Communion in the fall.

Any special issues related to First Communion should be communicated to the Director as soon as possible. These may include but are not limited to the need for a low-gluten Host for the First Communicant or family/friend attending the Mass, seating accommodations for guests with special needs, etc.

Usually, our parish children are in the second grade or are in our RCIA Tweens program when they celebrate these Sacraments for the first time. Family meetings are scheduled to help families fully prepare their children to celebrate these Sacraments.

Food Allergies: Low-gluten hosts are available for those who need them. With regard to such issues as peanut allergies, there is always the possibility of cross contamination, especially with regard to the cup. Families should discuss any such issues with the Director in advance.

**Confirmation** is the celebration of God's Spirit, during which our candidates affirm their Baptismal promises. This sacrament is usually celebrated during the fall of 9<sup>th</sup> grade (this date is scheduled for us by the Bishop's Office). Confirmation ceremonies are typically on a Tuesday, Wednesday, or Thursday with ceremonies at 4 pm and 6 pm; these dates and times are assigned to us by the Diocese and are communicated as soon as possible to families. We will send you the specific information for your child's ceremony as soon as we receive it from the Bishop's Office. A Parent/Candidate meeting is scheduled early in the year to begin the immediate preparation.

\*All sacraments are preceded by two years of faith formation (i.e. Religious Education classes) in preparation for the reception of any particular sacrament. Children prepare for First Reconciliation

and First Communion during 1<sup>st</sup> and 2<sup>nd</sup> grades, and make both sacraments in the second half of the 2<sup>nd</sup> grade year. Children prepare for Confirmation during 7<sup>th</sup> and 8<sup>th</sup> grades, and are Confirmed at the end of 8<sup>th</sup> grade. Any issues regarding sacraments should be brought to the Director's attention at registration.

### **Registration and Re-Registration Procedures**

All families are required to be registered parishioners of St. Joan of Arc in order to register for Religious Education classes. If you do not know if you are registered, please contact us and we can check for you. ***Please note that if you were married or your child was Baptized at St. Joan's this does not necessarily mean that you are a registered parishioner.*** Parish registration is a simple process which involves filling out a form on our website at <http://www.stjoans.org/register/>.

#### **Annual Registration**

Families must register for Religious Education each year to ensure we have the most up-to-date information for each child with regard to contacts, special needs, first choice of class day, etc. Registrations are processed on a first come, first served basis, and class sizes are limited to ensure that the classes are manageable for our catechists. Registration information is typically sent out in early to mid-spring.

It is crucial that parents register for classes on time. It is difficult and sometimes impossible for us to give families their first choice of class day when registration is submitted late, i.e. after mid-August. *We will not add students to classes that are already at maximum capacity.* Early registration allows for the necessary time for staff to plan so that we can honor scheduling requests.

If you are not sure of which option you want to pursue, it is best to register your child early for whichever you think is most likely to work for your child/family. It is often easier to make a change to scheduling for a child who has already been registered, than it is to process a late registration.

#### **New students**

Families who are joining our program for the first time, i.e. did not have children attending last year, must contact the office prior to registration. This is to ensure that the family is registered in the parish, and to evaluate the appropriate class placement for each child based on age and previous religious education.

#### **Transferring from another program**

If your children attended a religious education program in another parish or a Catholic school and you would like to transfer to our program, we require the following to be submitted *prior* to registration:

- ❖ Copy of the Baptismal certificate, unless Baptized at St. Joan's

- ❖ Letter from the previous parish detailing grades completed and dates of First Reconciliation and First Communion, if 3<sup>rd</sup> grade and above
- ❖ Any previous Sacrament records

*Important: Sacramental records are not the same as records for previous religious education; a staff member from your previous parish will be able to help you with obtaining these records.*

Please note that if you are transferring into our program, we can only accept home study for the previous year(s) if it was completed under the guidance of a Catholic parish religious education program; successful completion must be confirmed by the administrator of that program. *Self-guided home study cannot be accepted as fulfilling the previous year's requirement.*

### **Textbooks and Other Resources**

We currently use the “We Believe” series of texts published by Sadlier for 1<sup>st</sup> through 6<sup>th</sup> grades, and “Decision Point” for 7<sup>th</sup> and 8<sup>th</sup> grades, which is specifically oriented towards Confirmation preparation and published by Dynamic Catholic. We also use RCL Benzinger’s “Family Life” series as part of the Diocesan safe environment program. All three series are approved by our Diocese for use in our program.

Each child receives a Bible in 6<sup>th</sup> grade and is expected to bring the Bible to classes through 8<sup>th</sup> grade.

Any other materials used in the classroom must be approved in advance by the Director.

### **Curriculum**

Our program adheres to the guidelines set by the Diocese of Trenton Department of Catechesis and Evangelization. Our textbooks cover all aspects of this curriculum, and each catechist is given a plan with regard to ensuring that all necessary chapters are taught.

### **Statement Regarding Child Abuse**

**New Jersey state law requires that any staff member having reason to suspect that a child is the subject of child abuse must immediately report the suspicion to DYFS. This law applies to all catechetical staff personnel.**

## **Policies and Procedures**

### **Arrival and Dismissal**

Weekly/Traditional Program: [Please click here](#) for our guide to arrival and dismissal for grades 2<sup>st</sup> through 8<sup>th</sup>.

### **Summer Program**

Due to the intensive nature of this program, there are not absences, late arrivals, or early dismissals. The only exception is when there is an illness, and a doctor's note is required to excuse the absence. (Regularly-scheduled doctor/dentist appointments do not apply.)

#### **Arrival:**

- Grades 1<sup>st</sup> – 8<sup>th</sup>: Arrival and dismissal take place in the gym. Catechists meet their students in the gym in the morning, and each class has a designated spot for both arrival and dismissal. When the entire class has arrived, the catechist brings his or her students to the classroom. If a student arrives after the class has already left for the classroom, staff or another volunteer will escort him or her to the classroom.

#### **Dismissal:**

- All children in grades 1<sup>st</sup> through 8<sup>th</sup> must be picked up directly by an adult from the gym. Older siblings in the program are not permitted to pick up younger siblings. If parents need/would like to designate any other adults to pick up their children, written notification must be sent to the Office in advance through a Google form, which is sent via email to parents prior to the start of classes. Children in grades 1<sup>st</sup> and 2<sup>nd</sup> must be signed out by a parent or another adult approved in by the parents. This approval must be communicated through the Google form.
- Students may not text a parent or guardian during class to request early pick-up.

### **Attendance**

#### **Attendance**

*Children are expected to attend each class unless prevented by extenuating circumstances (illness, etc.). Regular attendance is necessary in order for students to move on to the next grade the following year.*

**Fall (weekly) Program:** Children should have no more than 3 absences during the year. If a parent is aware that there will be an issue with regard to a child attending classes regularly, the parent should call the RE Office to discuss the issue with the Director.

**OCIA Tweens, and OCIA Teens:** Regular attendance is crucial for these options due to their intensive nature. Only three absences are permitted, and any missed content must be covered at home so that the student will not fall behind.

**Special Disciples:** As these classes meet semi-regularly, students should only be absent when necessary.

**Summer Program:** There are no late arrivals, early dismissals, or absences permitted, due to the intensive nature of the program. If a child is ill, this must be reported to the RE Office and will be excused only with a doctor's note. **\*\*Regular doctor/dentist appointments do not apply.** Families who wish to participate in the Summer Program should keep the week clear of any other scheduling conflicts.

If your child has to be absent from class, please do the following:

- ⇒ Contact the Office of Religious Education at 856-983-7575 or email us at [rem@stjoans.org](mailto:rem@stjoans.org) as soon as possible. If the reason for the absence is offered, we will note this in the attendance record. We will inform your child's catechist of the absence.
- ⇒ Have your child complete any missed work or assignments and submit as directed by the catechist or staff. \*You can find our chapter schedule by grade on our website at <https://www.stjoans.org/religious-education/>.
- ⇒ If you have a doctor's note to excuse the absence, please submit to the office at your earliest convenience.

### Early Dismissal

Early dismissals should only be requested when absolutely necessary, as they interrupt the classroom environment. **Early dismissals absolutely must be reported in advance for safety and security purposes.** Please contact the RE Office as much in advance as possible if your child needs an early dismissal. Parents must sign their child out at the front door when there is an early dismissal and must be prepared to present identification.

### Class Cancellation

Occasionally we may need to cancel classes due to inclement weather or if a catechist cannot attend class and we are not able to schedule a substitute. In these cases, we will inform you via email and text through the Flocknotes system. We will also post this information [on our web site here](#).

## General Safety & Security

### Driving/Parking Lot

- The parking lot of our parish is very busy throughout the day and evening. Prudent driving is essential to the safety of our children and to the safety of our parishioners who are on the parish grounds as well. Please be sure to drive slowly and carefully at arrival and dismissal.
- Please see our [parking lot overhead view here](#), which shows the “safe zones” and the required traffic flow.

### School Building

- For safety reasons, the doors of the building will be locked during each session. If you need to enter, please go to the front door of the school (facing the parking lot) and ring the bell.
- Please note that we cannot allow people inside the school to use the restrooms prior to or during class times. The Church is normally open, and you may use the restrooms there.

**\*\*A note about our policies and procedures:  
All policies and procedures are put into place  
to ensure the safety and well-being of our children.  
Cooperation with these policies and procedures is absolutely mandatory.**

### Behavior

All students are expected to share in the faith learning experience of the parish program. If a child's behavior disrupts the learning process for him/herself or others, or makes the running of the classroom unduly difficult for the catechist/aide, the steps below will be followed to ensure that group participation may continue:

- 1) At first incident the student will be reminded of expected behavior and the consequences of misbehavior.
- 2) After the second incident, the student will be sent to the Director.
- 3) If inappropriate behavior continues, the student's parent/guardian will be contacted. The student will be allowed the opportunity to rejoin his/her group if an understanding can be reached as to how all involved may best continue to learn and grow in their faith.
- 4) If the student's behavior continues to disrupt the learning environment, an individualized program will be arranged or the child will be dismissed from the program.

\*We understand that some behavioral issues are related to a child's special needs. Our knowing in advance what works best for your child enables our staff and catechists to facilitate an optimal classroom environment and experience for him/her and the other children in the classroom. As such, we invite our parents of children with special needs to advise us on their child/children's

unique way of learning, perceiving, interacting etc. so that we may be able to accomplish this together.

### **Serious Behavioral Issues**

In a case where there is an incident or behavioral issue which creates serious concern, the following steps will be taken:

- The parent is called immediately and asked to come to the school.
- The Director meets with the parent to explain the issue.
- The issue is addressed by the parents at home/within the family.
- The parent and the Director have a follow-up discussion to discuss the child returning to the classroom.
- The decision of whether or not it is possible for a child to return to the classroom is made at the discretion of the Director in consideration of the nature of the issue and its resolution, the overall classroom environment, and the ability of the program within available resources to accommodate any resulting issues or concerns. Home study may be offered as an alternative, in which case the Director will work with the family to design a program which will meet the child's needs.

**All decisions are made with the well-being of the child and his/her classmates in mind, and with the compassion and love we are called to in our faith.**

### **Health Concerns and Special Needs**

At registration, health and special needs concerns as well as any family concerns, such as custody issues, should be brought to the attention of the staff. If a child receives a diagnosis after registration, please inform our staff as soon as possible. We do have volunteers in our program who have experience working with children with special needs and, when we are aware, we are able to find the optimal class placement for each child. Due to the fact that many children have food allergies, we do not allow food in the classroom under regular circumstances. The only exceptions are in the Summer Program when children may bring in a small snack/drink due to the length of the class.

## **Expectations**

### **Parents**

**Mass Attendance with Your Child/ren.** The parent is the child's first teacher and role model in the faith. The Religious Education program represents the Church's partnership with parents to raise children in the Catholic faith. It is essential that families attend Mass each week and on holy days of obligation so that the children not only receive the most important part of their faith formation experience, but also because Mass attendance gives the child a context and understanding for what they learn in the classroom. Our weekend Mass and Confession schedule at St. Joan of Arc is as follows:

Confessions – Saturdays at 4:00 pm or by appointment

Masses –

Saturday: 5:30 pm Vigil

Sunday: 7:30 am, 9:00 am, 10:30 am, 12:00 pm

Please remember that it is never too late to come back to church if you haven't been in a long time – you are welcomed with open arms at St. Joan's!

Adhering to our calendar – parents are expected to stay on top of the Religious Education calendar. Please mark all pertinent dates on your calendar at the beginning of the year.

Communication of health and/or special needs and circumstances to the RE Office Being aware of your child's health or special needs allows us to ensure that the classroom experience is optimal for all. If your child receives a diagnosis after the year has begun (i.e., after you have already registered your child for Religious Education classes), please be sure to call us and let us know so we can make sure your child is getting whatever he/she needs in the classroom and from the program.

Attendance. We expect that parents registering their child/children for classes have made Religious Education a priority and will ensure their child's regular attendance at classes, as well as making sure any missed lessons are covered at home. Prior to registration, parents should consider the options we offer and determine which realistically best fits their schedule.

Payment of tuition in a timely manner or contacting the office if payment of tuition is a difficulty at that time. Please note that if this is the case, we encourage you to get in touch. There is always a solution to tuition issues, and it is important to us that every parishioner who wants Religious Education for his or her child is able to have it.

Compliance with policies and procedures of the program, as delineated in this manual and in any communication from the RE office. All of our policies and procedures are created with the following in mind: the well-being and safety of the children, the provision of a quality, sound Religious Education experience for each child, the policies and procedures set forth by the Department of Catechesis of the Diocese of Trenton and the parish, and consideration for those who share our parish facilities and consideration for our neighbors in the surrounding area.

**Following these standards is mandatory for enrollment and participation in this program.**

We are blessed to have a large program at St. Joan of Arc; a program of this size can only run smoothly if every parent/guardian is committed to our policies and procedures.
